

Unmanned Packing, Intelligent System

Complete Processing &
Packaging Line Solutions

ABOUT LION PACKING SYSTEMS

Lion Packing Systems delivers complete food processing and packaging lines. With engineering and manufacturing in Tianjin and Zhejiang, China, and a sales office in Los Angeles, USA, we provide turnkey service — from plant layout and full production lines to installation, operator training and after-sales support.

More than a machine company

Beyond equipment, we provide professional consulting for fruit cup production — helping customers move from product and process design to a running line.
