

Complete Processing & Packaging Line Solutions

ABOUT LION PACKING SYSTEMS

Lion Packing Systems delivers complete food processing and packaging lines. With engineering and manufacturing in Tianjin and Zhejiang, China, and a sales office in Los Angeles, USA, we provide turnkey service — from plant layout and full production lines to installation, operator training and after-sales support.

More than a machine company

Beyond equipment, we provide professional consulting for fruit cup production — helping customers move from product and process design to a running line.

VACUUM PACKAGING MACHINE

MODIFIED ATMOSPHERE PACKAGING MACHINE

LP-ZS-400S 420

Table type vacuum machine

Pump capacity	20 m³/h
Working cycle	15-40 / 15-40sec/cycle
Dimensions	500×530×490mm
Power	220V/50Hz 1.0Kw((other voltage optional))
Weight	68Kg 65Kg

LP-DQ-420 400S/500/500S

Vertical type vacuum machine

Pump capacity	20 m³/h
Working cycle	15-40/ 15-40 40-60 / 15-50 / sec/cycle
Dimensions	500×530×1000/600×635×900mm
Power	220V/50Hz 1.0Kw((other voltage optional))
Weight	85 88/125/120 Kg

LP-DQ-600 600S

Vertical type vacuum machine

Pump capacity	20 m³/h
Working cycle	40-60 / 30-55 / 40-60sec/cycle(30-55sec/cycle)
Dimensions	740×740×1050mm
Power	220V/50Hz 1.0Kw((other voltage optional))
Weight	130Kg

LP-SQ-550SP 600SA

Double-chamber vacuum machine

Pump capacity	40 m³/h
Working cycle	20-40 / 20-40sec/cycle
Dimensions	1310×800×1150mm
Power	380V/50Hz 2.0Kw((other voltage optional))
Weight	200Kg

LP-SQ-600SA(SA II/SP)

Double-chamber vacuum machine

Pump capacity	63 m³/h
Working cycle	20-40 / 20-40sec/cycle
Dimensions	1310×800×1150mm (1425×755×932mm)
Power	380V/50Hz 2.2Kw((other voltage optional))
Weight	240Kg 270Kg/250Kg

LP-DZ-420

Vertical bag vacuum machine

Pump capacity	20 m ³ /h	
Working cycle	15-40 / 15-40sec/cycle	
Dimensions	495×530×800mm	
Power	220V/50Hz 1.0Kw((other voltage optional)	)
Weight	80Kg	

LP-ZKW-850

Pumping vacuum machine

Pump capacity	20 m ³ /h	
Working cycle	40-60 / 40-60sec/cycle	
Dimensions	1100×900×1700mm	
Power	220V/50Hz 2.25Kw((other voltage optional)	)
Weight	132Kg	

LP-ZDZK-320Y / LP-ZDZK-420Y / LP-ZDZK-520Y

Continuous vacuum machine(hard film)

LP-ZDZK-320R / LP-ZDZK-420R / LP-ZDZK-520R
(soft film) (软膜)

LP-XCZK-320 / LP-XCZK-420 / LP-XCZK-520

Model	LP-ZDZK-320Y(LP-ZDZK-320R)	LP-ZDZK-420Y(LP-ZDZK-420R)	LP-ZDZK-520Y(LP-ZDZK-520R)
Pump capacity	100m ³ /h	100-160m ³ /h 155m ³ /h	160-200m ³ /h
Production speed	200-400times/hour		
Dimensions	4500×1030×1900	4900×1130×1900	5200×1230×1900
Power	3P AC380V 50Hz 12kW	3P AC380V 50Hz 15kW	3P AC380V 50Hz 18kW
Weight	1500Kg	1800Kg	2100Kg

LP-SDZK-400
Hand push type modified atmosphere packaging machine

Pneumatic pressure	≥0.6MPa
Working cycle	120-240 cycle/hour
Dimensions	L1100×W1000×H1900mm
Power	380V 50HZ 4.0Kw() (other voltage optional)
Weight	200Kg

LP-TSB-450
Semi-automatic modified atmosphere packaging machine

Pneumatic pressure	0.6-0.8MPa
Working cycle	120-240 cycle/hour
Dimensions	L1800×W1400×H1750mm
Power	380V 50HZ 8.0Kw() (other voltage optional)
Weight	600Kg

LP-LXFH-463
Continuous modified atmosphere packaging machine

Pneumatic pressure	≥0.6MPa
Working cycle	120-240 cycle/hour
Dimensions	L2300×W850×H1820mm
Power	380V 50HZ 5.0Kw() (other voltage optional)
Weight	300Kg

LP-LXFH-590
Continuous modified atmosphere packaging machine

Pneumatic pressure	≥0.6MPa
Working cycle	120-240 cycle/hour
Dimensions	L2600×W1100×H1750mm
Power	380V 50HZ 6.0Kw() (other voltage optional)
Weight	500Kg

LP-TSB-570
Continuous modified atmosphere packaging machine

Pneumatic pressure	≥0.6MPa
Working cycle	180-240 cycle/hour
Dimensions	L4370×W1080×H1900mm
Power	380V 50HZ 7.0Kw() (other voltage optional)
Weight	1000Kg

Lion Packing Systems

Engineering & Manufacturing	Tianjin & Zhejiang, China
Sales Office	Los Angeles, California, USA
Tel	+1 314 250-8276
Web	lionpackingsystems.com
Email	sales@lionpackingsystems.com

Turnkey Service

- Plant layout design
- Complete processing & packaging lines
- Packing & packaging material supply
- Installation, commissioning & operator training
- After-sales service & spare parts

Lines Running In

China • Thailand • Mexico • Peru
